CALL FOR ABSTRACTS

Joint ACENDIO/AENTDE Conference / 11th European Conference of ACENDIO / 11th International Conference of AENTDE

23 - 25 March 2017

*eHealth and Standardised Nursing Languages: supporting practice, advancing science*

**Conference Theme**

The Joint ACENDIO/AENTDE Conference aims to disseminate knowledge on *eHealth* and nursing languages in order to improve patient care. Core concepts of nursing represented in nursing classifications and standardized nursing languages will be presented, along with Nursing Informatics standards to ensure global consistency in conceptual work to inform clinical practice, health informatics and health policy.

*eHealth* is defined by the European Commission as “The interaction between patients and health-service providers, institution-to-institution transmission of data, or peer-to peer communication between patients and/or health professionals. Examples include health information networks, electronic health records, telemedicine services, wearable and portable systems which communicate, health portals, and many other ICT based tools assisting disease prevention, diagnosis, treatment, health monitoring and lifestyle management.”

**Conference Subthemes**

Electronic Health Records to support nurses in clinical decision-making; Clinical decision support systems; Usability from Nurse’s and Patient’s Perspectives; European Nursing Minimum Data Set; Documentation Standards; Education in Nursing Classifications and Informatics; Virtual Patient Education; Data exchange enhancing care continuity across settings; Data Storage and Access, Data Warehouse based Research. *eHealth* technologies in relation to: Patient Safety, Patient Outcomes and Quality of Care through *eHealth* Technologies; Patient participation; Ethics and *eHealth*;

The official languages of the conference are English and Spanish. *Abstracts must be submitted in English or Spanish.*
